Effetto Marmo
Marble Look

From Italy to Turkey and all the way to ancient Persia. It's the allure of white, which knows how to enhance all the colors of our collection of precious marbles. Its ethereal and refined embrace gives life to essential and elegant ceramic surfaces. The high definition of unique graphics and spectacular plays of transparency are on display on majestic slabs to which polishing adds value and harmony. A luminous enchantment of rare mineral materials that create an exceptional visual impact.
