# Marrakech

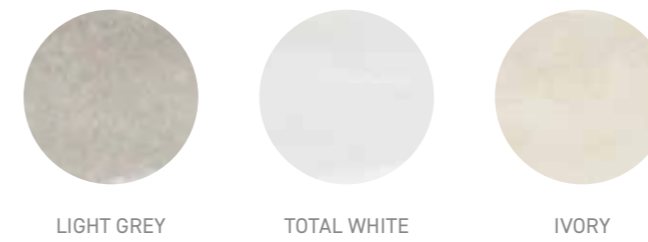

Marrakech is part of the Brick Generation collection, the brick-effect stoneware covering

An evocative journey to the beautiful Moroccan city of **Marrakech**, which **reinterprets the iconic decorative art of 'Zellige' tiles**, recalling the enchanting handcrafting process. Delicate imperfections, irregularities and reminiscent hues render a wavy, iridescent surface with an **artisanal aesthetic**.

Imperfect, **coloured** and **with glossy, mirrored or matt, textured finishes**, the regular shapes of the **formats, 4.8x20 and 10x10 cm**, create vibrant effects of great impact, wrapping the spaces they inhabit in an exotic charm that transcends fashion.

The characteristic single-colour Moroccan glazed terracotta tiles inspire the Marrakech collection, which faithfully **reproduces** their **typical handcrafted shades** and features, **where tradition meets design.**
